Case Notes

Section not unconstitutional. 623 F. Supp. 657.

[§15-2.5] Absentee voting in precinct affected by natural disasters. (a) If the chief election officer and clerk of a county affected as a result of a natural disaster determine that the opening of a designated polling place will adversely affect the health and safety of voters or precinct officials, the chief election officer and county clerk, by written order, may require the registered voters of any precinct to vote by absentee ballot; provided that if there are not enough absentee ballots for all voters of the precinct, the chief election officer or the clerk shall use other official ballots to make up the difference.

(b) Within thirty days after the issuance of such an order, the chief election officer and county clerk shall notify all registered voters in the affected precinct of the issuance of the order.

(c) Within ten days after the printed official absentee ballots are available for the designated precinct affected by this section, the clerk shall deliver, or cause to be delivered, by hand or mail, an absentee ballot, a return envelope, and any other appropriate material to each registered voter in the affected precinct.

(d) The chief election officer shall adopt rules pursuant to chapter 91 to implement this section. [L 1996, c 215, §1]

§15-3 Absentee ballot for presidential election. If ineligible to qualify as a voter in the State to which the voter has moved, any former registered voter of Hawaii may vote an absentee ballot in any presidential election occurring within twenty-four months after leaving Hawaii by requesting an application form and returning it properly executed to the county of the voter's prior Hawaii residence. When requesting an application form for an absentee ballot, the applicant shall specify the applicant's eligibility for only the presidential ballot, and the fact of applicant's ineligibility to vote at the applicant's new place of residence verified by the voter registrar or the registrar's authorized representative in the jurisdiction of the applicant's new residence. The application must be received in sufficient time for ballots to be mailed and returned prior to any presidential election at which the applicant wishes to vote. All required information pursuant to the rules promulgated by the chief election officer shall be completed in full. [L 1975, c 36, pt of §3; gen ch 1985]

[§15-3.5] Federal write-in absentee ballot. Notwithstanding the provisions of this chapter and chapters 11 and 16, the federal write-in absentee ballot for overseas voters in general elections for federal office which must be prescribed under section 1973ff of title 42, United States Code, as amended, may be used in general elections for federal offices. [L 1987, c 211, §1]

§15-4 Request for absentee ballot. (a) Any person registered to vote may request an absentee ballot in person or in writing from the clerk not earlier than on the sixtieth day and not later than 4:30 p.m. on the seventh day prior to the election. Any mailed requests for an absentee ballot shall be mailed by the person directly to the clerk. The clerk may waive any or all of the foregoing requirements in special cases as provided in the rules adopted by the chief election officer.

The request shall include information such as the person's social security number, date of birth, and the address under which the person is registered to vote. The request shall also include the address to which the person wishes the requested ballot forwarded. The request, when made for any primary or special primary election, may include an additional request for an absentee ballot to be voted at any election immediately following the primary or special primary; provided the person so indicates in the person's request.

Subsequent to the closing of registration for each election, the clerk may mail a request form for an absentee ballot to each voter in a remote area who has not already made such a request. The request form shall be accompanied by:

- (1) A stamped, self-addressed envelope; and
- (2) Instructions regarding the manner of completing and returning the request form.

(b) Notwithstanding subsection (a), the clerk shall mail an absentee ballot for each primary, special primary, special, general, and special general election to each registered voter who resides in the county of Kalawao. The chief election officer may adopt rules to carry out this subsection. [L 1975, c 36, pt of §3; am L 1980, c 248, §1(b); am L 1981, c 29, §1(2); gen ch 1985; am L 1986, c 305, §5; am L 2004, c 100, §2]

§15-5 Delivery of ballots. (a) Immediately upon receipt of a request within the time limit specified in section 15-4, the clerk shall examine the records to ascertain whether or not the voter is lawfully entitled to vote as requested. As soon as the printed official ballots are available, the clerk shall mail in a forwarding envelope or deliver in person if the voter appears at the office of the clerk, an official ballot and other materials prescribed in section 15-6 except that an incapacitated voter may send a representative to obtain the voter's ballots pursuant to the rules promulgated by the chief election officer. All requests received upon the last day specified in section 15-4 for receipt shall be mailed to the voter requesting the same as soon as reasonably practicable, but in no event later than twenty-four hours after receipt thereof.

(b) If mailed absentee ballots are not received by the voter within five days of an election, the voter may request that absentee ballots be forwarded by facsimile. Upon receipt of such a request and confirmation that proper application was made, the clerk may transmit appropriate ballots by facsimile together with a form requiring the affirmations and information required by section 15-6, and a form containing a waiver of the right to secrecy, as provided by section 11-137. The voter may return the voted ballots and executed forms by facsimile or mail; provided that they are received by the issuing clerk no later than the close of polls on election day. Upon receipt, the clerk shall verify compliance with the requirements of section 15-9(c), and prepare the ballots for counting pursuant to section 15-10. [L 1975, c 36, pt of §3; am L 1980, c 248, §1(c); gen ch 1985; am L 1993, c 304, §8]

[L 1975, c 36, pt of §3; am L 1980, c 248, §1(d); gen ch 1985]

The State and counties shall share in the cost of all postage associated with the distribution and return of absentee ballots pursuant to sections 11-182, 11-183, and 11-184, if the costs are not covered by the federal government. [L 1993, c 304, §2]

Section 11-21 relating to changes and transfers of registration shall apply to the absentee polling place as though it were the precinct at which a person's name properly appears on the list of registered voters.

(b) The absentee polling places shall be open no later than ten working days before election day, and all Saturdays falling within that time period, or as soon thereafter as ballots are available; provided that all absentee polling places shall be open on the same date statewide, as determined by the chief election officer.
